

LOCHDALE COMMUNITY SCHOOL
‘ROARS’ Student Survey Results: **SPRING 2025**

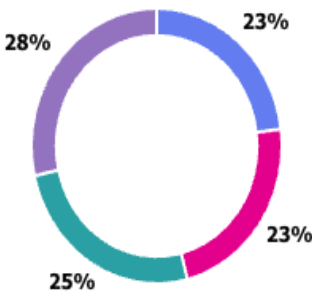

Lochdale staff collaboratively created a core value statement and phrases that aligns with our vision, influences our culture, and represents our school's values. This strong set of core values will contribute to the growth and unity of our school community. These values go beyond being mere words displayed around the school; they actively shape and direct us, reflecting the type of school we aspire to build, lead, and participate in as a community.
